☐ Continuation Sheet Attached**Brief Description of Argument to be Presented:**

Applicant contends that relative to the claimed invention, the referenced prior art is fatally deficient in scope, method, purpose, and utility, and therefore claims 1 and 71, dependent claims, and application should be approved. Applicant will seek consideration and agreement on prior art deficiencies shown in submitted Requests for Reconsideration.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
